Company Overview

MGT Enterprises, LLC is a certified Minority and Women Business Enterprise (MBE/WBE) based in Blue Springs, MO, specializing in general contracting, framing, painting, finishing carpentry, and HVAC services for commercial and residential projects. With a proven track record of successful projects, such as a \$975,000 HVAC installation at Green Leaf Apartments, we deliver high-quality results on time and within budget. Led by experienced leadership, we prioritize precision and craftsmanship, ensuring safety, efficiency, and aesthetic excellence. Fully insured and bonded, we are committed to meeting the needs of both federal and state contracts.

Core Competencies

- 
General Contracting:
 Comprehensive management of commercial and residential construction projects from start to finish, ensuring high-quality results within budget and on time.
- 
Framing:
 Expertise in structural framing for both commercial and residential buildings, ensuring safety and precision in every project.
- 
Painting:
 Skilled in interior and exterior painting, providing durable, high-quality finishes tailored to meet specific client needs.
- 
Finishing Carpentry:
 Delivering superior craftsmanship in finishing carpentry, including trim work, cabinetry, moldings, and other detailed woodworking for commercial and residential spaces.
- 
HVAC & Mechanical Services:
 Full-scale installation, repair, and maintenance of heating, ventilation, air conditioning, and refrigeration (HVAC) systems, offering energy-efficient solutions.

Past Performance

- ✓ **Green Leaf Apartments:** General contractor for HVAC installation and repair across 195 units, valued at \$975,000, completed ahead of schedule.
- ✓ **Commercial Framing Projects:** Provided high-quality framing and structural work for various commercial buildings, ensuring code compliance and safety standards.
- ✓ **Lincoln Building:** Provided finishing carpentry and painting services under a local government contract, enhancing both the structural and aesthetic aspects of the project.
